

ASA Work Experience Form - For qualification to Participate in an ASA Sponsored ACI Shotcrete Nozzleman Recertification Session

1000 hours of verified work experience as a nozzleman within the two (2) years immediately prior to seeking recertification or possessing an average of 1000 hours per year within the last five (5) years immediately prior to seeking recertification is a prerequisite to participate in a ACI Shotcrete Nozzleman Recertification Session. Participation in an ASA sponsored session requires that the applicant's required hours of experience as a nozzleman be documented on one or more copies of this form and submitted to the Examiner for review and verification prior to the testing session. ***If required hours are across 10 or more projects contact ASA staff for an alternate form.***
