Inspector Education aka Recognizing Quality Shotcrete (7 hours)

This seminar qualifies as 1 of the 3 year work experience requirement for those pursuing the ACI Shotcrete Inspector Certification. While this seminar provides you with tools to become a better inspector, it is not designed to be a tutorial for the exam. Certification requirements can be found here:

<https://www.concrete.org/certification/certificationprograms.aspx?m=details&pgm=Shotcrete%20Inspection&cert=Shotcrete%20Inspector>
