Terms:

Terms are net 30 days following proof of publication. Advertising copy is subject to approval from ASA.

Discounts (see Order Form):

- Recognized advertising agencies receive a 15% discount.
- Place your insertion orders for 2025 by **November 1, 2024**, and receive a 5% Early Bird Discount.

Advertisement includes a complimentary direct link to your website from our:

- Electronic version of the Shotcrete magazine issue, in which you advertise
- Website homepage (ASA Sustaining & Corporate members only)
- Monthly eNewsletter — What's in the Mix (ASA Sustaining & Corporate members only)

NEW Premier Advertisers:

Premier advertisers, those who secure a full-page ad in all four issues, are featured in the email announcing that issue's release and a complimentary social media post featuring their ad for each issue.

Ads are preferred in electronic format:

All files are converted to PC format for printing. Submit advertisement files via Google Drive link or Dropbox for sending large files — contact ASA for more information.

Supported Applications:

Illustrator and Photoshop saved in TIFF or EPS format, InDesign, or high-res PDF.

Image Requirements:

Files should be at least 300 dpi. Do not use any compression scheme on the graphics (JPEG, LZW).

Include all placed graphics. Do not embed images in the file. Do not trap files — if necessary, this will be done in our preflighting. Color images should be saved in CMYK format.

All fonts must be converted to outlines. If this is not possible, all fonts used must be provided. Ads smaller than a full page should not include printer's marks. Company logo requested in high-resolution electronic format for ASA website.
