

The background of the entire flyer is a photograph of two workers in full protective gear, including helmets, goggles, and respirators. They are wearing high-visibility yellow safety vests over dark clothing. The worker in the foreground is holding a large, flexible, light-colored hose with both hands. The worker in the background is also holding the hose, and they appear to be working together on a task. The overall tone of the image is industrial and safety-oriented.

# **ACI Spring Nozzleman Certification Session**

April 28-30th.  
Sebastopol California

TRAINING AND EDUCATION  
FOR NOZZLEMEN
