

BECOME AN ACI CERTIFIED SHOTCRETE INSPECTOR

Attend our upcoming **ASA Shotcrete Inspector Education Session**, followed by the official ACI Shotcrete Inspector written examination.

Date: Saturday, January 13, 2024 (NEW DATE)

Location: Hilton Garden Inn San Mateo – 2000 Bridgepointe Circle, San Mateo, CA 94404

Host: Dees-Hennessey, Inc.

Purpose: To provide experienced Shotcrete Inspectors with supplemental training and testing in obtaining the new ACI Shotcrete Inspector Certification, or to further one's Shotcrete education and better understand what makes quality Shotcrete.

Seminar Speaker: Mr. Oscar Duckworth. Mr. Duckworth is an ACI-Certified Shotcrete Nozzleman and Examiner, and owner of Valley Concrete Services in Sebastopol, California. Over more than 30 years of industry experience, Mr. Duckworth has placed more than 200,000 cubic yards of Wet-Mix Shotcrete. He sits on three ACI committees: 506 Shotcreting, 660 Shotcrete Nozzleman, and 661 Shotcrete Inspector; he contributed to the development of ASA's Shotcrete inspector seminar, *Quality Shotcrete – Know It When You See It*.

For further information on ACI's certification program, and to obtain the application forms, visit: <https://www.concrete.org/certification/certificationprograms.aspx>.

Registration: To register for the education session email Jason Myers at jmyers@dees-hennessey.com or Melissa Fillipo at mfillipo@dees-hennessey.com. For questions call (650) 595-8933.

Cost: \$300 per educational session participant, with an additional \$245 for the ACI exam. Group discounts for the education session are available for multiple people from the same firm to attend, please call to discuss. The CP61 Pack of Shotcrete Inspector reference material is available for limited supply \$200 currently in stock or \$180 plus shipping from ASA.
