

Session Location: **Sebastopol, CA**

Session Dates: **September 29 - October 1, 2023**

This certification session takes place on a working farm. Farm Style meals and refreshments are included in the fees, Campfires each evening (weather permitting) with ample opportunities to get to know other nozzleman participants, share experiences and learn from one another outside the certification session.

Tent/Camping accommodations are available, bring your own or use ours. We have large safari style tents with concrete floors and cots with foam mattresses. Two cots per tent. Bring a sleeping bag if you have one, if not, let us know ahead of time and we will supply you with one.

Shower house: We have a four-stall shower house with on-demand hot water. Soap and towels are provided.

Reserve your spot today!
