How to Take Clonazepam

Follow your doctor's prescribed dosage carefully. Swallow the tablet whole with water, preferably at the same time each day. Avoid increasing the dose or stopping the medication suddenly without consulting your healthcare provider, as this may cause withdrawal symptoms.

Safety Precautions

- Do not combine Clonazepam with alcohol or other sedatives.
- Avoid driving or operating heavy machinery until you know how the medication affects you.
- Store in a cool, dry place away from children and pets.
- Always follow medical advice for safe use and dosage adjustments.
